

# Protective Behaviours

## Free Information Session

**For adults** – parents, and teachers/community members interested in finding out more about how to protect children and teach them about personal safety.

**1 Hour of your time** could make all the difference in the lives of your children.

Presentation covers :

- the need for personal safety
- benefits of this programme
- core concepts and strategies that are taught
- what you can do with this information
- opportunity to ask questions about the programme
- Emergency contacts and free resources

To arrange a free session please contact Ursula 082 852 1629 or email a request.
